# Sagittal First™ with Carriere® Motion Pro™

## COURSE DESCRIPTION

This course is charting new territory with the ground-breaking SAGITTAL FIRST™ philosophy of correcting Class II or Class III malocclusions with the Carriere® Motion™ appliance at the beginning of treatment, when patients are most compliant. Discover how evolving your treatment philosophy can impact your practice and enhance efficiencies and outcomes. Doctors will learn about ideal case selection and have clinical questions addressed by Dr. Carriere and Dr. Cantor.

## KEY LEARNING OBJECTIVES:

- Understand the protocols and philosophy behind SAGITTAL FIRST
- Examine Class II and Class III biomechanics with Motion appliances
- Recognize ideal case selection for Motion appliances
- Review a variety of clinical case examples
- Learn efficiency advancements with same day starts and decreased treatment times
- Evaluate best practices and learn tips & tricks to avoid common treatment pitfalls
